"Pressestimmen 'After his mammoth, shamanic aria London: the Biography, the remarkable writer Peter Ackroyd has produced a nimble, uproarious pocket history of sex in his beloved metropolis' (Alasdair Lees Independent)'Ackroyd has an encyclopaedic knowledge of London, and a poet's instinct for its strange, mesmerising drives and urges ... Queer City contains something to alarm or fascinate on every page' (Craig Brown The Mail on Sunday)'Droll, provocative and crammed to bursting with startling facts' (Simon Callow The Guardian)'If there was a prize for the most evocative or salacious chapter headings, then Peter Ackroyd's new book, Queer City, would be the undisputed victor. They capture the rudery and naughtiness, although not the erudition of this entertaining history of the 'queer' experience in London' (Robbie Millen The Times)'Succinct, perceptive and robust' (Rupert Christiansen Daily Telegraph)'The kind of screed a queer person would be remiss if they did not pick up. This is a call to arms... Throughout the book it is made clear that for every halcyon day, there was a dystopia that preceded and followed. The one great progress Ackroyd highlights is that we have one thing in the 21st century that the other eras did not: an attempt a 'gay community' ... London relies on queerness as much as queers have relied on the labyrinth and the bacchanal of the Big Smoke. Now, it seems, we have a chance to change it in the open' (David Levesley i)'Ackroyd's brisk little history of what he calls queer London is itself a collation of sweetmeats' (Dominic Sandbrook The Sunday Times)'Always entertaining ... much to be recommended' (Philip Hensher The Spectator)'This gallop through the pink past [...] tells a torrid tale of persecution and pleasure, of blackmail and blue murder' (Mark Sanderson Evening Standard)'By shining a light in dark places, Ackroyd has created a triumphantly queer picture of a city he loves ? as city as queer as any other' (Philip Hoare New Statesman) Über den Autor und weitere Mitwirkende Peter Ackroyd is an award-winning historian, biographer, novelist, poet and broadcaster. He is the author of the acclaimed non-fiction bestsellers London: The Biography, Thames: Sacred River and London Under; biographies of figures including Charles Dickens, William Blake, Charlie Chaplin and Alfred Hitchcock; and a multi-volume history of England. He has won the Whitbread Biography Award, the Royal Society of Literature's William Heinemann Award, the James Tait Black Memorial Prize, the Guardian Fiction Prize, the Somerset Maugham Award and the South Bank Prize for Literature.
