**Prophecy spoken. Alliances broken. Will duty come before love?** The Viking's Captive is the exciting sequel to The Viking's Chosen by USA Today Bestseller Quinn Loftis. Torben is faced with a terrible choice: rescue the woman he loves from the clutches of a madman, or save his people from attack by a ruthless foreign invader. He longs to save Allete, especially since the clan's oracle has prophesized that she will become his queen and help unite the clans. But if saving the princess means abandoning his clan, the choice would be unconscionable. Torben races across land and sea on a collision course with Magnus, Allete's kidnapper and Torben's former king. Their meeting will change the fate of Clan Hakon—either saving it from destruction or splintering it forever. Will Torben be able to rescue Allete before Magnus' actions ruin them all? Or will Cathal find the princesses first, enslaving them and using them for his own twisted purposes? Swords will clash and arrows will fly before the fate of Allete and Torben is finally decided. **Novels in *The Clan Hakon Series* Include: *The Viking's Chosen* (AVAILABLE NOW) *The Viking's Captive* (November 27, 2018) *The Viking's Consort* (Fall 2019)**
