"Reseña del editor When Bill Belichick talks, smart people listen. This book contains Belichick's own words on topics like two point conversion strategy, preparing for Peyton Manning, and what he looks for when evaluating each player on the field. Belichick has spent a lifetime in the NFL, and as a result has a perspective on the game and its greatest competitors that few can match. Learn what he has to say about the history of the game and those who built the foundation of the modern NFL. Finally, if you wanna win games, you've gotta be excellent on special teams. No one knows this better than Belichick, and this book contains a huge amount of information on how he looks at special teams. Become a better coach or a more knowledgeable fan. Grab your copy of this incredible resource today!"
