"Über den Autor und weitere Mitwirkende Stuart Ashen makes videos for YouTube and writes comedy scripts and sometimes acts in things. He lives in Norwich, in a house filled with all sorts of useless items that he tells himself he needs for work. He is obsessed with old video games and things that aren't quite good enough for their intended purpose. On his YouTube channel he reviews the best of the worst that the world has to offer, showing an equal amount of commitment and enthusiasm for both. He has produced over 440 YouTube videos over an eight-year period. In 2013 he raised \$73,000 for the production of a feature film Ashens and the Quest for the GameChild starring Warwick Davis and Robert Llewellyn. The film has been watched over 500,000 times on YouTube and is also available on DVD and Blu-Ray."
