"L'autore Georgina Reid is a highly respected Australian garden writer and commentator. With a background in landscape design, horticulture, and journalism, she's the editor and creative director of The Planthunter online magazine. Revered for its insightful, engaging, and inspiring content, The Planthunter has grown a broad international audience since launching in 2013. Georgina also contributes to a range of design publications and lectures regularly on the benefits, beauty, and importance of connecting with plants and nature."
