"Reseña del editor Experience the harsh conditions of this polar landscape, discover how researchers survive, and find out about the intrepid explorers from the past who have set out to reach the South Pole. DK Adventures is a nonfiction series for kids ages 8-11 featuring visually rich theme spreads, and fascinating facts that help kids build their skills in vocabulary, grammar, comprehension, and critical thinking while developing a love of reading. Designed to keep interest high, build knowledge, and enrich the reading experience with fascinating background information, each title in the DK Adventures series is filled with information yet eminently accessible, and available in a wide range of kid-favorite topics including rain forests, animals, rocks, and shipwrecks."
