Raising Chickens How To Build A Chicken Coop It is no joke that times are tight these days, and it can be really difficult to make ends meet. We all do what we can to make those little loose ends come together, and try to make the most out of our dollars. If only there was a way that you could make money at home, without having to invest a bunch of time and money into a business. Sure, you are motivated enough to do it, but when it comes down to all of the hard work that is involved, how do you justify spending all of that time and effort on something when you are already stretched so thin? Well, there is good news in all of this hardship, and that is a simple little answer: chickens. Chickens are a fast and easy way to make money at home, not to mention fun. These little animals are a delight to anyone who owns them, and they are a perfect addition to any household. Most people can have them regardless of where they live, and they are easy to obtain and maintain. With a permit, some know-how, and a little bit of elbow grease, you are able to get a flock of chickens, and save money and make money by having them. This book is going to show you everything you need to know to build your own chicken coop, purchase your own chickens, and make money through keeping them. You will be amazed at just how easy it is to keep and maintain these hardy little animals. This book includes everything: Building instructions for various coops Maintenance for your birds Ways to effectively make money through keeping them How to keep your flock healthy And more!
